

Command Overview Brief

14 MAY 2011

45th IBCT

COL Joel Ward

Commanding

45th Infantry Brigade Combat Team

AGENDA

- Mission of the 45th IBCT
- Organization of the 45th IBCT
- Road to War
- Unit Locations

45th Infantry Brigade Combat Team

Mission

The 45th Infantry Brigade Combat Team is always ready to deploy to any part of the world to defend America against any threat to the freedom of its citizens or its land. The 45th Infantry Brigade Combat Team has been, and will always be ready to support the ongoing Global War on Terrorism and Homeland Defense. The 45th Infantry Brigade Combat Teams is a completely self sufficient brigade having a complete ensemble of infantry, cavalry, artillery, military intelligence, engineer, signal, support maintenance, medical and heavy transportation units.

45th Infantry Brigade Combat Team

The RQ-7 Unmanned Aerial System (UAS) is launched, flown and recovered by Company B, 45th Special Troops Battalion, 45th Infantry Brigade Combat Team, Oklahoma Army National Guard. This launch, which took place at Fort Sill, Okla., on October 19, was the first for the Soldiers of the 45th BSTB since they returned from the RQ-7 training course.

45th Infantry Brigade Combat Team

Ken Provost, a member of The Catholic War Veterans Memorial Post 168, hands Soldiers stars cut from retired US flags as they step off the bus. The star is accompanied by a tag that says, "I am part of the American Flag that you serve. I have proudly represented the U.S.A. I can no longer fly. The Sun and Storms have caused me to become tattered and torn. Treasure me near your heart as a reminder that you are loved and not forgotten."
